Bishop Gadsden, a Life Care Retirement Community, embraces God’s call to ministry. We affirm positive living for all who live and work here. We serve with integrity. We exercise wise stewardship. We reach out with a generous spirit.
2015 was an exceedingly eventful year for Bishop Gadsden! We greatly advanced our vision of “Excellence in Retirement Living” as we opened our newest residences-The Quay, completed renovations of our new Market Place Café, and undertook renovations of our fitness center and clinic. All of these accomplishments are the result of in-depth strategic planning by board members, residents and management. We also had a tremendous chartable impact on those within our BG Community, and on the greater community, as we shared our abundant blessings.

The Quay, which consists of three “boutique” buildings with 15 flats each, surrounding a lake, has been a tremendous addition to our Community. It was completely reserved within three months of the announcement it had been planned, and two years before completion. The magnitude of demand on the building trades in the Charleston area presented challenges during construction and delayed completion, but the finished product—with its open design and multiple exposures bringing in abundant natural light, is getting high marks from its occupants. The new Regan Pavilion, in its beautiful lake-side setting, has become a top gathering place for the entire Community. The Quay, and its amenities, has certainly affirmed our place as the premier retirement community of choice in our market area.

The quality of our culinary services continues to be a defining characteristic of Bishop Gadsden. Few communities our size devote the resources we do to our culinary offerings and venues. In 2009, in addition to formal dining and lively pub, we created a state-of-the-art multi-station café that bought frequent visitors from other communities around the country as it was recognized as a “best practice” in the senior living industry. This year, we raised the bar even further with our Market Street Café renovation and expansion, featuring a new exhibition bakery and Mongolian grill. It is a center of activity and energy on a daily basis, with residents enjoying entertaining their family members and friends.
Bishop Gadsden continues to be one of only 142 single-site retirement communities in the U. S. with an investment grade credit rating. Fitch reaffirmed our rating of “BBB” with a stable outlook for the future. Our Community is also one of less than 300 of the approximately 2,000 retirement communities in the U. S. that is CARF-accredited. These third-party reviews of our finances and operations should give all stakeholders assurance of the Community’s overall well-being.

In addition to the operational aspects of our Community, Bishop Gadsden continues to remain focused on our core mission and ministry. Innate in our heritage, which is stated in our mission statement, is “We reach out with a generous spirit.” As you will see in this report, numerous community organizations have benefited from Bishop Gadsden’s incredible generosity, most notably The Fisher House of Charleston with a grant of $115,000, which will help to provide a place for veterans and their families to stay when receiving treatment at the VA Hospital. Other organizations supported this year include The S. C. Alzheimer’s Association, Roper-St. Francis Cancer Patient Assistance Fund, Senior Ride Connections, Ronald McDonald House, and Coastal Crisis Chaplaincy, among others. As always, Bishop Gadsden continues to take care of its own whose funds become depleted. This year $328,660 was provided in Resident Assistance.

We wish to thank all—residents, family members, staff, and friends—who continue to support Bishop Gadsden, and its mission and ministry, through both your generosity and your prayers. It is an amazing place for our 500 residents to live and our 305 staff members to work, and for the positive impact it has on many throughout the Charleston community.

With warm regards,

Francis G. Middleton, MD
Board Chair

C. William Trawick
President/CEO
Bishop Gadsden’s widely recognized 166-year success is rooted in effective and continuous strategic planning for the future. To achieve a shared vision, the voices of many must participate — this is the basis for sustainable, marketable initiatives that fulfill our mission and are true to our values. Residents, trustees, staff, family members, and business partners all contribute to the evolution, development and ultimately to the fulfillment of bold new ideas.

The path to successful strategy is never a straight line. Rarely does the expected outcome emerge as originally conceived. Instead, what actually develops depends on a number of conditions — need/market demand, financial feasibility, site limitations, and much due diligence. We experienced this phenomenon a few years ago when strategic planning efforts first prioritized a Health Care replacement initiative. Ultimately, greater capital capacity was needed for the project to be financially feasible. Through the planning process, it became clear that additional independent living would bring increased revenue with little long term debt and enable growth of reserves for future Health Care replacement/expansion.

The development of The Quay positioned Bishop Gadsden perfectly for the renewal of strategic planning in 2015. Now, with additional property acquired over the past two years and with recent evolution in the healthcare, we have opportunities for our Health Care expansion that did not exist even a few years ago. In the Charleston area, the need for short-term rehab services as well as memory care and long-term nursing care are all increasing rapidly. The Bishop Gadsden brand and reputation for quality makes our Community an appealing partner in the healthcare arena to meet these needs.

A dedicated team has worked diligently to flesh out strategic initiatives that will carry us into the coming decades. The first is Medicare certification, which will enable us to meet short-term rehab needs more effectively. In addition, over the past year we’ve completed a comprehensive analysis of our competitive environment, conducted site visits, focus groups and interactive design exercises, and engaged third party experts for financial modeling. With this critical data in hand, the team has created an exciting plan for the future of Health Care at Bishop Gadsden.

Envision a handsome Health Care campus, with bright light-filled rooms, and spacious, state of the art accommodations for both short-term rehab needs as well as the more extensive needs of Alzheimer’s/Memory Care and long term nursing care. Imagine a rehab environment where highly skilled professionals promote healing and a return to an active life at home. Consider the strength of BG health services all available in one place, with primary care, pharmacy services, and home care planning readily accessible. Our Health Care center promises to be the finest in Charleston, with increased capacity to serve our residents and to expand our mission into the greater Charleston community.

As we develop this model for Health Care, along with expanding strategies for our evolving Charitable Mission and other possibilities for sustainable growth, we ensure that our Community continues to flourish, rooted firmly in a successful history and arching boldly toward the future.
2015 Financial Highlights
In 2015, high occupancy and prudent expense controls (see Financial Drivers below) enabled Bishop Gadsden to thrive. We maintained strong liquidity, which, in turn, enabled us proactively to focus on maintaining Bishop Gadsden’s quality standards, fulfilling our current obligations, and building for the future. We ended the year financially strong and healthy. Our residents’ belief that Bishop Gadsden is a good value for their money aligns with the Board of Trustees’ continual commitment to the vision of “Excellence in Retirement Living”, coupled with the component of our stated mission that “We Exercise Wise Stewardship.”

Individuals and families who have informed Bishop Gadsden of their future giving plans and those whose gifts have been received have become members of the Century Society. Membership in the Century Society is a perpetual honor.
The Bishop’s Circle recognizes those who have given $1,850, per person, or $3,700, per couple, to the Resident Assistance Fund, the Guerry Endowment and/or the Trawick Endowment. The amount 1850 was chosen as the name of the society, as it recognizes the year that Bishop Gadsden was founded.

2015 EMPLOYEE OF THE YEAR

Our 2015 Employee of the Year was our August Employee of the Month, Rosie Rast. Rosie is the BG Connections Coordinator for our BG Connections Home Care Department, and has worked at Bishop Gadsden for two years. Rosie never leaves any stone unturned when it comes to her job. She not only meets the needs of her residents, but often anticipates their needs and acts accordingly. She understands the need for a calm demeanor and has been known to quickly diffuse what could be a difficult situation. Rosie always steps in to assist co-workers and is always on the look-out to help, whether she is asked or not. Bishop Gadsden is proud to recognize Rosie for her outstanding work ethic and sincere compassion for BG Connections clients. The Employee of the Month receives a wreath with 200, $100 bills, equaling $2,000, and also receives a premier parking space for the year.
