the CAMELLIA

The two-bedroom, two-bathroom Camellia apartment is as large as many houses at 1,230 square feet. Double windows in the gracious living/dining room provide plenty of light and add to a sense of space and openness. The private master bedroom suite features a walk-in closet and a large bathroom with a shower and built-in vanity. The generous guest suite has large windows opening to the balcony or terrace, a second walk-in closet and a large bathroom, also accessible from the foyer. The guest bedroom may also function as an informal living area or den.
