## Apartment and Cottage Coronavirus (COVID-19) Communication 16

---

*As of March 24, 2020*

Please watch today's important message from Sarah Tipton, President/CEO and Residents' Council Chair, Keith Emge. You can watch at <https://vimeo.com/bishopgadsden/review/400232936/85f0b27961> or <https://bg-life.org/>.

- At this time, we ask that you NOT come and go from the campus. Staying home is our best precaution.
- BG Security will now note when you leave and ask where you are going.
  - Remember that many MD appointments can be handled through telehealth.
  - Prescriptions can be delivered through various companies – OmniCare, Dottie's Pharmacy, Delta Pharmacy and others. Please obtain prescriptions from a pharmacy that delivers.

### Culinary

- A new menu card (for the week of March 30) will be distributed during Wednesday's Meal Delivery.
- We are looking at the viability and liability of being able to sell you beer and wine. We hope to have that information to you next week.

### Activities

- Bishop Gadsden's Activities and Wellness Team are developing a series of virtual activities for you. They will begin to be stored on [www.bg-life.org](http://www.bg-life.org), under the Virtual Activities/Wellness Tab. All videos will be listed as they become available, so please check back regularly.
