

BISHOP GADSDEN

Apartment and Cottage Coronavirus (COVID-19) Communication 130

As of October 14, 2020

New Information

Culinary: We are thrilled that we are cleared to reopen the Frederick Dining Room for residents of Myers Hall on Monday, October 19. It is very exciting to be able to welcome Myers Hall residents back to the dining room! During the past months when the café has been closed to our employees, our Myers Hall culinary team has been operating an employee meal service out of Frederick. With this wonderful reopening of Frederick, we will return to employee service in our café during limited hours. Please see below the changes to the Market Place Café, which will now welcome team members during designated times:

Beginning Monday, October 19:

Breakfast:	7:30 AM – 8:00 AM	Residents Only
	8:00 AM – 9:00 AM	Residents and Team Members
Lunch:	11:00 AM – NOON	Residents Only
	NOON – 1:30 PM	Resident and Team Members
Dinner:	5:00 PM – 6:00 PM	Residents Only
	6:00 PM – 7:00 PM	Residents and Team Members

Team members will be able to use the café only to purchase meals; seating/dining-in will not be available to employees. Also, please note, Frederick Dining Room is only available to Myers Hall residents.

Winningham Court Reopened: We are happy that Winningham Court reopened last night to rave reviews. The Culinary team welcomes you to this beautiful dining destination. Please call 843.406.6430 to make your reservation, or visit www.bg-life.org.

Myers Hall Construction: Please see the attached communication on exciting news concerning our much-anticipated Myers Hall expansion.

Visitor Reminder: Just a reminder when you have a visitor, you and your guests are asked to remain in your residence, or on your personal patio or porch during the duration of their time at Bishop Gadsden.

COVID-19 Statistics: Today we were informed that a PRN (per required need) team member, who last worked on Sunday, September 27 has tested positive for COVID-19. Due to the fact this team member has not worked at Bishop Gadsden for 17 days, this new positive does not cause any adjustments to our current plans for health care culinary changes, as well as indoor visits.

Current Total Active Cases*
