

## A SEASON OF GRATITUDE

# *Let's Be Healthy and Thankful !*

Bishop Gadsden wishes you a wonderful Thanksgiving season, but we ask you to consider your health and safety as well as that of the BG Community as you cautiously celebrate Thanksgiving. *We want to have you and BG healthy together!*

### *Helpful Thanksgiving Tips for You*

- Virtual options are the safest, plan to Zoom with family
- Get pre- and post-Thanksgiving COVID-19 tested
- Stay outside as much as possible, open windows if not possible
- Socially distance at 6 feet at all times
- Practice frequent hand hygiene
- Regularly clean and disinfect frequently touched areas
- Wear masks over your nose and mouth when not eating or drinking, and safely store mask when not using
- Have one person serve food
- Use single-use options for condiments, and utensils whenever possible.
