Bishop Gadsden, a Life Care Retirement Community, embraces God’s call to ministry.
We affirm positive living for all who live and work here.
We serve with integrity.
We exercise wise stewardship.
We reach out with a generous spirit.
Dear Friends,

For the Bishop Gadsden Community, 2014 was eventful and wonderful for our Charitable Mission.

Bishop Gadsden is distinctive for many reasons, a primary one being that our Charitable Mission is at the very heart of who we are. It was in our founding. It has been in our history for the past 165 years. It is an integral part of our character today. We would not be the Community we are without the compassion and care we have for our fellow residents, and also for the larger community of which we are a part.

Our mission and ministry, “To reach out with a generous spirit,” has never been more vibrant than it was in 2014. Our Charitable Mission Committee and the subcommittees of Annual Giving, Endowment, and Generous Spirit, worked closely with the Charitable Giving and Communications Office to raise a record $3,523,561!

We provided more than $385,000 to residents through our Annual Resident Assistance Fund, and this generous giving enabled ten residents in our apartments, assisted living, and healthcare areas, with diminished financial resources, to continue to receive the exceptional care and support Bishop Gadsden is proud to provide.

We supported other non-profit organizations as well. The Lowcountry Food Bank and Respite Care of Charleston both received grants of $37,900 each. Charleston Area Therapeutic Riding, Pet Helpers, the Charleston Animal Society, and
the South Carolina Alzheimer’s Association benefited from fundraisers and volunteer time as well. We also established a wonderful new intergenerational relationship with Ft. Johnson Middle School with a resident mentor program for students.

After a moving testimonial from a resident, our Annual Employee Appreciation Fund benefited from record resident support. This genuinely caring relationship between our residents and staff was more than evident as Bishop Gadsden held its Annual Employee of the Year celebration, honoring both the generosity of our residents and family members and the excellence of our staff.

Then there is the C. William Trawick General Endowment, which was created as a result of Jim and Patty Fei’s desire to see our Community be the very best it can be both now and in the future. The Fei’s amazing act of generosity, with a $1M matching gift, challenged the rest of us to think about the blessings this Community has afforded each of us, to consider its future, and to also be generous. The response by so many of you was astounding, and the future of Bishop Gadsden’s mission and ministry will continue to thrive because of it. I am so grateful for this opportunity that words cannot adequately express how I feel. My hope—and prayer—for Bishop Gadsden, and for me personally, is reflected in an excerpt of one of Maya Angelou’s last interviews, which I have on the bulletin board by my desk. When asked, “When did she know that she would be such a blessing?” her reply was, “I always knew I would be a blessing. I meant to be a blessing. I have always intended to be a blessing. It is my heart’s intent. My very life depends upon it.” In 2014, we met—and surpassed—the matching challenge of Jim and Patty Fei for the creation of the C. William Trawick General Endowment, which will enable this Community, which has been so blessed, to continue to be a blessing for years to come.

The importance of our Charitable Mission is more relevant today than at any other time in our history. As we celebrate 2014’s accomplishments, we look forward to continuing to build on these successes and growing the Bishop Gadsden Mission even more.

JAN CARTER
AWARDS

The Jan Carter Awards were established by the Ruffle Family in memory of Eleanor Loock Ruffle. The award recognizes excellence in service by those in the nursing field at Bishop Gadsden. The award is named in honor of Jan Carter, who was the Director of Nursing at Bishop Gadsden from 1995-2004, and Wellness Nurse for the Bishop Gadsden Putman Clinic, until her passing in 2011.

Pictured left to right. Bill Trawick, President/CEO, Sarah Tipton, Vice President/COO, Betty Brown, LPN in Arcadia Close, Lana Nealy, Med Tech in Myers Hall, Princetta Grampus, CNA in Read Cloister, and Jack Ruffle.

*2013

**2014 Employee of the Year**

Tolbert Smalls has been with Bishop Gadsden since 2012. Tolbert is a retired fireman of St. John’s Fire Department, where he worked for 26 years. Following his retirement, Tolbert began working nights at Bishop Gadsden but eventually moved to the daytime shift. Tolbert is a dishwasher in the main kitchen, so he is not always seen in the forefront; however, he helps serve breakfast in the Market Place Café most mornings. He often lends a hand to his fellow co-workers and is always willing to assist residents, which led to being recognized for the distinguished award.

President/CEO Bill Trawick congratulates Bishop Gadsden’s Employee of the Year, Tolbert Smalls.
Every effort has been made to ensure the information included in this donor report is correct. If there are any errors, we sincerely apologize. Please notify the Charitable Giving Office of corrections for future publications.
