FEATURED WINE

WHITE SPECIAL

Bravium Rose of Pinot Noir

Sourced from the rocky, well-drained soils of Bordeaux, France, this wine boasts mineral and citrus notes that are complemented by a supple, toasty oak complexity. Its versatility makes it an excellent pairing for a wide range of dishes, while also being enjoyable to drink on its own.

RED SPECIAL

Villa Pereire Bordeaux Blanc

Signature peach and citrus tones, with lemon zest and Cara cara orange commingling with strawberry, apricot, and nectarine flavors. Nice fullness on the front and mid-palate as the acidity hits mostly on the back of the palate, adding refreshing length to the finish. This Rosé is fresh, vivacious, and delicious
